Section 1, HANDLING TARIFFS

The following tariffs are applicable for each handling. The calculation is based on the aircraft's maximum take-off weight (MTOW) in accordance with its Certificate of Airworthiness/flight manual.

In conjunction with technical intermediate landings, during which there is no form of boarding/disembarkation or freight or post loading/discharge, handling is charged in accordance with the rates in the column designated "Technical Stop".

Handling is mandatory for aircraft with 10 seats and above or MTOW of 5.700 KG and above.

Rates for landside/airside handling in DKK (both included):

Handling charge, per MTOW	144,00
CUTE fee	5,00
Minimum charge	840,00
Technical stop	840,00

For handling outside Esbjerg Airport's normal opening hours, there is a charge of DKK 684.00 per man per hour. Minimum DKK 3.420,-.

Handling comprises the specified services provided, related to arrival and/or departure (sections 2 - 3).

All the charges are exclusive VAT, and VAT to be charged according to Danish regulations in force.

Sections 2 and 3 are specifications of standard services covered by the handling charges mentioned in Section 1.

Section 2, LANDSIDE HANDLING

- Preparation and distribution of documents related to arrival/departure
- Information to all relevant parties regarding arrival/departure times, delays etc.
